

## Ready for Barcelona

### The Formula Regional drivers on the Spanish track this weekend

Rome, 19<sup>th</sup> September 2019 – Back on track again this weekend, in Spain, in the F1 circuit of Barcelona for the new appointment of the Formula Regional European Championship certified by FIA.

The Championship, at its first year of life, has just been re-confirmed, as a proof of its success. The next season calendar will include 8 new appointments in various circuits in Italy and Europe, including the F1 Hungaroring, RedBullRing, Monza, Paul Ricard and Barcelona.

Prema Powerteam already put his mark on the teams' standings, with almost 300 points from DR Formula by RP Motorsport, currently in the second position; but for the drivers' absolute standings the battle is still open, even with Frederik Vesti (Prema Powerteam) firmly protecting the first position. We are now at three weekends before the end of the Championship, but there are still many points to be assigned.

A new entry in this ACI Racing Weekend: Dan Ticktum will race with the Van Amersfoort Racing Tatuus for the first time, side by side with the teammate Sophia Floersch.
