In FP Bortoleto and Mini

It is always a battle between the three PREMA Powerteam drivers, while behind them the trio that follows is compact in just one tenth

Oliver Rasmussen (PREMA Powerteam) conquers the best time (1'41.580) of FP2, on a sky full of black clouds, but a dry track. Behind him his two teammates, Arthur Leclerc (1'41.646) and the championship leader, Gianluca Petecof (1'41.

699). Behind them excellent Pierre-Louis Chovet (Van Amersfoort Racing), with 1'42.255, and the two KIC Motorsport drivers, Juri Vips (Red Bull Junior Team driver, coming from F2), with 1'42.314, and Patrik Pasma with (1 '42 .357.

Tomorrow morning the qualifying practice will start at 10.15.
