07/05/2021 08:46

Barcelona – On the first and only FP session on the Circuit de Barcelona Catalunya, on a warm and sunny morning, it is the Swiss **Grégoire Saucy (ART Grand Prix)** to set the best lap time (1:41.288), followed by the French **Hadrien David (R-ace GP)** with 1:41.342 and the Finn **Patrick Pasma (KIC Motorsport)** – 1:41.708). Among the Rookies the first is the Swedish Dino Beganovic (Prema Powerteam), stopping the watch at 1:41.816, and sixth overall.

Once more 3 different teams in the first 3 positions indicate the very high competitiveness of the Formula Regional European Championship by Alpine – certified by FIA, and the very balanced performance of the cars of different teams.

A good 23rd position by the home female driver **Belèn Garcia (G4 Racing)**, who had not tested in Imola, but indeed had her test session here in Barcelona, showing immediately a good improvement in performance. The session has been stopped with no restart at 4 minutes to the end due to Lèna Buhler going out on the gravel and hitting the wall at turn 4.
